

Dear Pastor and Christian Leader,

Greetings from the network of churches and ministries who partner together in Yes!  
We Care – Queensland’s biggest Neighbourhood Blitz.

**BrizNet has a simple strategy:**

- To Pray:** through our citywide Concerts of Prayer twice a year, our quarterly leadership luncheons: the network of church and ministry based Prayer leader’s and intercessors gatherings three time a year.
- To Care:** through our Yes! We Care, ‘Queensland’s Biggest Neighbourhood Blitz’ – once a year, the last weekend in May.
- To Share:** through engaging our communities as local congregations in connecting the gospel and people in meaningful ways.

Our 2006 and 2007 Yes! We Care campaign’s saw over 360 and 640 households touched in just one day as hundreds of Christians from many different churches came together to demonstrate Christian love and goodwill across this city. We received overwhelming feedback of appreciation and thankfulness from those who were helped. All were so encouraged when they discovered that it was the churches of the city coming together that made the Yes! We Care day happen for them.

Yes! We Care continues to grow year by year.

You have in your hand, our BrizNet, Yes! We Care campaign pack - *one church, many locations serving Brisbane*. This pack contains a letter from Brisbane’s Lord Mayor, Campbell Newman, along with specific directions and helpful information concerning the day.

Yes! This is a campaign that once again has the full support of Brisbane Lord Mayor, Campbell Newman.

To get involved is easy. Just log onto [www.yeswecare.org.au](http://www.yeswecare.org.au) and follow the leads, or phone one of the 4 Regional Coordinators or the Yes! We Care Coordinator listed, or call or email us on 3343 8242, [briznet@cityharvest.org.au](mailto:briznet@cityharvest.org.au)

This is not an event but an opportunity to do something together across our city for the people of our city that sees lives changed and futures reshaped by the love of Jesus.

This is a day where we can all celebrate being on the one page together, in doing the business of the kingdom – loving our neighbour as ourselves.

For the King and His Kingdom,

Ben F. Gray

Chairman - BrizNet Leadership Team
