

Join us for
Queensland's Biggest
Neighborhood Blitz

Saturday May 30 2009.

This is a united campaign of partnering churches in the Greater Brisbane Area. With the support of the Brisbane Lord Mayor, Campbell Newman and the Brisbane City Council, we expect to help over 1000 homes on this one day.

It is an opportunity to show you care for the residents of Brisbane. Work teams go into pre-arranged homes and do jobs to help — gardening, cleaning, rubbish-removal etc.

How to get involved

If your church is registering to participate, contact your church coordinator.

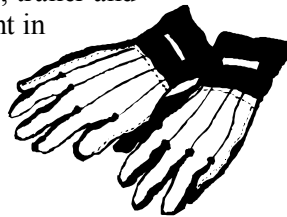

If your church is not participating but you still wish to be involved, register at the www.yeswecare.org.au website.

Day's Programme

- Teams meet and sign on
- Do work assignments (usually one or two assignments per team)
- Meet at the Zone Meeting Points at 1:00pm for a barbecue lunch

What to bring....

- Work clothes
- Small gardening tools
- Small cleaning equipment
- Hat, sunscreen and drink
- Optional: - Ute, trailer and other equipment in consultation with your coordinator

For more information visit the Yes We Care website.
