May 2011

Dear Home Owner

I am delighted to lend my support to *Yes! We Care*, a campaign dedicated to helping residents in need with basic home repairs, maintenance and domestic assistance.

The campaign is run by dedicated volunteers in Brisbane's church communities and has become known as "Queensland's Biggest Neighbourhood Blitz".

This year, *Yes! We Care* will take place on Saturday 28 May and will involve hundreds of volunteers giving up their time and energy to assist those in need.

Earlier this year, we saw residents across Brisbane turn out in huge numbers to help those affected by the January flood. As Lord Mayor, I am proud to see this same community spirit through the *Yes! We Care* campaign and know that many households will benefit from the event.

*Yes! We Care* is part of a wider initiative called the National Day of Thanksgiving, which is celebrated across Australia on 28 May.

Brisbane City Council is proud to support this wonderful campaign and I encourage you to get involved.

Yours sincerely
